### Youth Church At The Lake

This past Sunday (September 11) 102 teens and leaders from the youth group loaded up two of the church buses and headed to Raystown Lake for the day. We arrived mid-morning and started the day with a church service by the lake.

Two of our teens, Sophie Kipe and Laney Grimm led our group in worship and Brad Cole led our devotional time, speaking from Ephesians 2. There's nothing better than sitting on the beautiful lake side, with a group of teens, looking out over the water and mountains worshipping together and hearing from God's Word together. Brad reminded us that even as we look out at God's amazing creation, in all creation, WE are God's workmanship, the pinnacle of His handiwork and created to live our lives IN CHRIST that we might do good works.

Following our worship time, we shared a delicious meal prepared and organized by Mary Cordell & Beth Swankler.... grilled hot dogs and all kinds of snacks to go with it. And then we hit the lake for water tubing, swimming, jet-skiing, fishing and plenty of wipe-outs! There was even a group that trudged up the nearby mountain trail to enjoy the hawk-eye view from way above the lake. You can check out pictures from our trip on the Five Forks Youth Group Facebook page <https://www.facebook.com/groups/3972172542/>.

A big thank you to all of the leaders, boat captains, jet-ski pilots and also to Mike Knechtel & Bill Fortney who drove the buses full of crazy teens and spent the day with us.

## *Café Crisis?*

On the one hand, the Café that operates every Sunday morning appears to be in fine shape.

- The café bustles with activity between services. It truly serves as a weekly gathering place for many in our church family.
- A self-funded ministry, the necessary funds are coming in that allow us to offer a wide variety of options besides coffee and donuts.

### **So, what is the problem?**

The same problem facing many ministries in many churches...*volunteers*. The café has been in operation for the past 6 years under the leadership of Dave & Julie Tiedemann. They have needed and used volunteers on two levels:

- A few volunteers to assume leadership responsibility for one Sunday a month.
- Many volunteers to serve a single 30/45-minute shift one Sunday a month.

As with many ministries, volunteers will serve for a while - perhaps for years – before something else comes along that moves them in another direction.

We find ourselves at a point where it is becoming very difficult to “replenish” our volunteer roster (on both levels). We have approached numerous individuals personally to see if they are willing to help, but **are putting this need out there in case you are willing and able to serve but have not been asked.**

An inability to find the necessary volunteers could lead to scaling back and offering the “Express Café” (coffee & donuts only, requiring less volunteers) on a regular basis, as opposed to the “Full Service Café” which again offers a wide variety of food and beverages.

Can you help? We need a few individuals who will assume leadership for one Sunday morning per month. We need many volunteers who will take one 30/45-minute shift on a Sunday morning each month. If you can help or have questions, please email Julie Tiedemann at [office@ffbic.org](mailto:office@ffbic.org).
