Our Purpose: To be a Growing Community of Disciple Makers

Worship is at the very core of what it means to be a follower of Jesus. It's so much more than just singing songs. It is a life lived self-sacrificially, out of gratitude for who God is and what he has done and is doing in us, individually and corporately. One way that gratitude and appreciation is expressed is through God's gift of music and singing. Together, we unite our voices to make one triumphant testimony to how good God really is to us.

It is easy to think that, when we go through storm and sorrow, God isn't there. It is also just as easy to forget how God walks alongside us in our times of triumph. We forget that he is worthy of worship in the deepest valley and from the highest mountain—in the good and the bad. We can praise him in any circumstance, because he is good in every circumstance. We can trust him. He cares about each one of us and about us as a church! He has given us this great mission to go into all the world—starting in our own neighborhoods and communities—to proclaim his great name.

We look forward to lifting high the name of Jesus with you on this night. Invite someone out with you! This is going to be a fun night of devotion, reflection, and praise. We hope that you know, more-and-more, that God is with us always, and we can praise him no matter what we're going through. We look forward to seeing you there on March 9th at 6:30-7:45pm in the Aud.

(Child care will be available up to age 5, with check-in down in our children's wing.)
