## TWO QUESTIONS

*What Is "Laying Bricks for Jesus"?*

Ten years ago – in preparation for breaking ground for the new addition (Auditorium/Children's Wing), we held a contest asking those in our congregation to submit suggested names for the upcoming building project. The one that was selected was "Laying Bricks for Jesus." This phrase began being used leading up to and throughout the building project.

It continues to be used because the building expansion is a two-phase project. Phase I was the Auditorium and Children's Wing. Phase II will be completed at some point down the road. When Phase I was built, it was constructed in such a way that Phase II could be added on to the back side (the grass area that we refer to as our courtyard or backyard).

*What are the LBFJ envelopes about?*

Every month we set aside money from our Spending Plan to either a) pay off debt (if there is an outstanding loan from a building project) or b) increase money in our Building Fund in order to pay for the next expansion. Because there is no debt, every month we take \$5,424 from the General Fund and place it into the Building Fund. This equates to \$65,000 over the course of a year.

In addition to this, we place *Laying Bricks for Jesus* envelopes in all church mailboxes every month so that our congregation has an opportunity to contribute funds to Phase II - above and beyond what is set aside in our Spending Plan. So far this year we have averaged \$2,500 per month in contributions from the LBFJ envelopes.

Our current Building Fund Balance (for Phase II) stands at a little over \$160,000.

Thanks to those of you who take advantage of the LBFJ envelopes to help increase our Building Fund. For those of you who were not aware of what these envelopes were about, perhaps you would consider making monthly contributions to this fund as well! The more we are able to save, the less we will need to borrow when the time comes to break ground. For those that are wondering, current plans for Phase II include a Youth Center (ground floor) and Community Room (Auditorium level).

## CHURCH PICNIC – THIS SUNDAY, JUNE 3<sup>RD</sup>

(The café will be closed this Sunday in order to have things ready for the picnic)

Tables will be set up in the café and the Hospitality Committee will begin serving lunch around 11:30am and will continue to serve until 1:00pm.

The menu includes pulled pork, steamers, mac & cheese, walking taco bar, chips, drinks & ice cream sundae bar for dessert.

There will be a number of activities for children including Bounce House, Face-painting, Chalk Art, Balloon Art, and more..

Bring a lawn chair and eat/sit outside if it's pleasant. We will have a tent set up for an eating/sitting section in the back courtyard for those who prefer the great outdoors! We will also have tables and chairs set up in the gym. Our hope is that not everyone will come at once (i.e. 11:30), but will arrive at various points throughout the 1 ½ hour serving time to avoid long lines and allow seating for those who choose to remain indoors.

## LEGO CAMP

July 9<sup>th</sup> – 13<sup>th</sup>

Registration will open on Sunday, June 17<sup>th</sup>.

We will be opening the camp to 48 students who have completed grades 1-5. There will be 24 students selected for the AM class (9:00am – 12:00pm) and 24 students for the PM class (1:00 – 4:00pm). If a student attended last year's camp, they would not be eligible for this year's camp.

Our daily objective for each small group of students is that they will build and program a moving WeDo Lego Model. In order to do these objectives, students will be required to use reading, math, computer, and engineer/design skills. Students will work with a partner and learn basic skills about technology and engineering that will prepare them for a future transition into other STEM activities. Lego Camp is being offered to students who will commit to attending the program every day from July 9-13. Parents or guardians are responsible for providing transportation to and from Five Forks Church.
