June Church Board Report

Your Church Board meets on the first Thursday of the month (with the exception of July and December). The Board took action on the following 3 items at the June 2nd Board meeting:

Shalom Christian Academy has reserved our Auditorium for a Choir Festival that will be held in April of 2017. The board approved waiving the rental fee for use of the Auditorium. The Board will often do this with organizations that we help support or partner with.

The Board approved a change in policy when it comes to publishing names of individuals who have undergone a medical procedure, been hospitalized or experienced a death in the family. In the past we would publish these names in a variety of ways (prayer lists, LOTH, on the screens prior to the services) without receiving permission; only refraining when asked by the individual to do so. While we are not obligated to abide by the HIPPA regulations, the board believes it wise for the office to only publish names after receiving permission by the individual to do so (or from a friend or family member who has received permission from the individual to have this information put out).

June Church Board Report

Continued from page 1

General Conference (a bi-annual meeting of delegates from all Brethren in Christ Churches across the United States) will be held in Florida in July. The board approved a request to appoint Sherri Flohr to serve as a delegate of Five Forks (at no cost to the church). Sherri will be joining Pastor Ray and his wife Darlyss, and Adam and Heather Ellerbrock as delegates from Five Forks.

The remainder of the board meeting consisted of discussion regarding several ongoing matters that will likely become action items at future board meetings, such as: The position of Worship Director, updating our Child Abuse Prevention Policy, developing a Paid Leave and Medical Leave Policy, studying Rebecca Greenland's Financial Report, examining the structure and function of the Church Board.

Your Church Board consists of Pastors Ray, Bill, Brian, Jim, Shaun, Adam... Darwin Chamberlin, Heather Ellerbrock, Gene Gorman, Matt Nolt, Angie Petersheim, Randy Rock, Jeff Stitely, Eldon Showalter, Joel Wenger, and Lin Yoder. Sandy Gray serves as the recording secretary.

Upper Entrance To Be Closed (Temporarily)

In a few weeks, a major improvement project will be taking place as the upper entrance (leading to the Food Pantry and upper parking lot) will be repaved and widened.

Work is scheduled to begin on Monday, June 20th and so the road will be closed at that point. It will remain closed at least **through Sunday, June 26th** and so **those who normally enter and exit via this road will need to use the main entrance** instead. Thanks for your cooperation!

Health Tip

Outsmart Diabetes – Over 29 million Americans have diabetes. Another 86 million have pre-diabetes. The resulting circulatory, heart and eye problems make life more difficult and, sadly, shorter. Here are 10 ways to prevent or manage the disease.

Seek Greek –

We know you've heard this before, but the staples of a Mediterranean diet – vegetables, fruits, legumes, whole grains, and fish are a good idea anytime. Supplementing with extra-virgin olive oil, though, can reduce your risk for type 2 diabetes by 30 percent.

Belize Team Final training session (DATE CHANGED) - All Belize team members please make note of this important change. We need to change the date of our final Belize trip training session! It was initially scheduled for Sunday, June 19th. However, some of you looking ahead will realize that is Father's Day! So, we will be changing the date and instead holding our final training session on **Friday, June 17 6:30pm - 9:30pm.** Please make sure you make this change and plan to be here as this is the week before we leave and we will be going over final details for the trip.

*Also, for the first hour of this training session we will be in the gym sharing a Latino-style meal:) (So don't eat dinner before you come!)

**PARENTS - We are inviting ALL parents to join us at the end of the training session at 9:30pm down in the lower fellowship hall (aka youth Sunday school rooms/archery rooms) for a group prayer (15 - 30 mins.)

Belize Team Post-trip presentation to the congregation - As part of our sharing with the Five Forks congregation about our trip to Belize we will be playing a video of pictures and short testimonies (approx. 15 mins long) from our time in Belize during each of the Sunday morning services on **Sunday, July 10th**. We would invite anyone to come and hear these testimonies as well as talk to team members about the trip!

Chambersburg Project 2016 - For those new to the youth group, Chambersburg Project is a youth work camp, for teens that have completed 7th - 12th grade and it takes place one week each July (this year **July 10th - 15th**). During the week, teens from area youth groups are divided into work crews and spend the week doing work projects in and around Franklin County. The youth will spend the

week overnight at the Chambersburg Career Magnet school (Loop Road, Chambersburg), sleeping in supervised dorms. Campers work throughout the day and then participate in an evening program featuring games, activities, worship and teaching sessions. The Chambersburg Project is a great opportunity for teens seeking to be obedient to Christ's call to serve people in need. It is a chance to learn about the needs of the local community and experience first-hand hurting people. It also an important stepping stone for teens who may consider future youth mission trips with the Five Forks Youth Group. The cost for the camp is $200, this includes rooms, all meals and ministry supplies. This amount can be reduced to $150 for all Five Forks teens by completing a "Youth Mission Questionnaire". Please do not let finances keep you from participating, additional support is available, please speak to Pastor Shaun for more information. Registration forms can be picked up at youth group or by the youth booth and must be completed and turned in to Pastor Shaun by Sunday, June 12th.

Chambersburg Project Question & Answer Time - Hey PARENTS...If you have further questions or just want to hear more about Chambersburg Project, join pastor Shaun down in youth Sunday school room A33 (below the cafe) on Sunday, May 15th at 11am.

Graduation Picnic - From the Five Forks youth group, we want to say congratulations to all those in the 2016 graduating class. We would like to invite you to a graduation celebration in your honor on **Sunday, July 31st at 5:00pm at the Mont Alto Park Pavilion (NOT the State park pavilion)**. Dress casual as we'll be playing volleyball, frisbee, lawn games and sharing a meal catered by Chipotle. It has been our privilege to get to know each of you and to watch you grow into the young men and women that you are today. And so, one final time, we would like to spend some time with you to share memories from our many adventures together, to learn about your future plans and to pray with you as you get set to embark on a new and wonderful journey ahead. Do what you need to do, take off work, rearrange your schedule and we hope you will plan to join us as we celebrate you.
