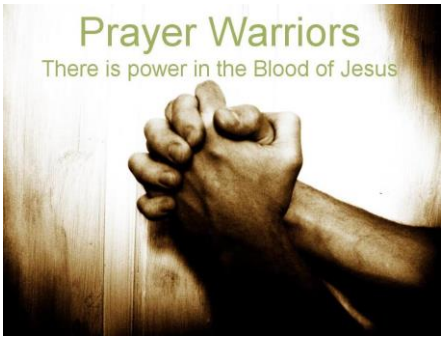
Help Us Rebuild Our Prayer List



The Decision

Earlier this month, the Church Board made the decision that the church office would not publish names of those in our church family who had been hospitalized or undergone a medical procedure without the consent of that individual (or someone authorized by them to speak on their behalf).

The Impact

The immediate impact is a drastic reduction in the amount of names on the list that goes out to our Prayer Warrior's team and other prayer groups. We are essentially starting over, and so we need your help in rebuilding our prayer list.

The Goal

We know that the Lord is fully aware of all things, but as a church family we care about each other and so we prefer to go to Him with specific names and specific needs. At the same time there is the recognition that there are people who wish to keep their names and situation private (or limited to a select few). And so while we strongly believe in praying for one another, we also are committed to respecting the privacy of those who desire it.

Our goal then, is to obtain consent from all of those who wish to be placed on our prayer list and continue to provide this list to many of our Prayer Groups. Our hope is that within a short period of time, our prayer list will contain the names of all those who are seeking prayer from their church family.

The Rationale

There is helpful information to be found if you go to this site: http://admin-assist.org/the-hipaa-law-and-privacy-rights.html

You will see that the church is not bound by the HIPPA regulations that deal with the transmission of health information. That is, the church does not violate HIPPA "in making relevant information known about a church friend or member, by means of a church prayer list, letter, or Web Site."

However, they go on to point out that doing so could be construed as an "Invasion of Privacy" if you reveal the details of a member or employee's medical condition, without his/her prior authorization.

Their recommendation is for churches to develop a church policy where consent is obtained prior to the publication of names or any facts or conditions of any person. According to this site: *The best option is "to develop a release form that would need to be signed prior to any form of publication."*

In order to make this as easy as possible for our church family, we are not looking to develop a written release form that needs to be signed; we will be satisfied with verbal consent from the individual or someone authorized by them to speak on their behalf.

Please Help

Please help us in getting the word out. If you would have a need and would like to be added to our prayer list, please contact the church office (office@ffbic.org) with your consent.

We would like to thank you for the beautiful flower arrangement and cards following the passing of my father, Charles H. Knepper, Sr. The beautiful colors helped make a sad time brighter. Thank you, Pastor Brian for coming to the visitation prior to the service. Thank you, Beth Reecher for visiting us and praying with us in the hospital and last, but certainly not least, thank you to the 1st grade Sunday School class for keeping him, his doctors, and nurses in prayer through his many months of off and on illness. All has been greatly appreciated.

Health Tip

Outsmart Diabetes – Over 29 million Americans have diabetes. Another 86 million have pre-diabetes. The resulting circulatory, heart and eye problems make life more difficult and, sadly, shorter. Here are 10 ways to prevent or manage the disease.

Mind Your Meds –

If you're already on medication for diabetes, it's important to take it as prescribed. Plus, free apps such as Mango Health and Pocket Pharmacist can alert you to possible side effects from other prescriptions and non-prescription drugs you might be taking. Plenty of medications can interfere with your blood glucose levels.

Upper Entrance To Be Closed (Temporarily)

This week, a major improvement project will be taking place as the upper entrance (leading to the Food Pantry and upper parking lot) will be repaved and widened.

Work is scheduled to begin on **Monday June 20th** and so the road will be closed at that point. It will remain closed at least **through Sunday, June 26th** and so **those who normally enter and exit via this road will need to use the main entrance** instead. Thanks for your cooperation!

"You can find more information about our events, including permission slips, on the church website or join us on Facebook; our group name is; Five Forks BIC Youth Group, or see Pastor Shaun."

****Please be aware that there is extra financial assistance available to any youth that may need it. Do not let money be the reason that you do not participate! (See Pastor Shaun)***

Summer Time Hang outs - Yes, the summer time blues are nearly upon us. No school means, no seeing your friends, means no fun! Let's not let that happen. All teens are invited to join us each Wednesday night during the month of **June (15, 22, 29)** from 6:30pm - 8pm at the home of Chris & Jennifer Bumbaugh (5905 Buttermilk Road Waynesboro, PA 17268) for a time of swimming, volleyball, yard games, fellowship and just plain out good times together. And yes on some occasions, water balloons, or ice cream toppings dropped from rooftops or other crazy things take place! Invite your friends and join us! It's a great way for the youth group to stay connected over the summer.

Belize Team Final training session (DATE CHANGED) - All Belize team members please make note of this important change. We need to change the date of our final Belize trip training session! It was initially scheduled for Sunday, June 19th. However, some of you looking ahead will realize that is Father's Day! So, we will be changing the date and instead holding our final training session on **Friday, June 17 6:30pm - 9:30pm.** Please make sure you make this change and plan to be here as this is the week before we leave and we will be going over final details for the trip.

*****Also, for the first hour of this training session we will be in the gym sharing a Latino-style meal:) (So don't eat dinner before you come!)

****PARENTS** - We are inviting ALL parents to join us at the end of the training session at 9:30pm down in the lower fellowship hall (aka youth Sunday school rooms/archery rooms) for a group prayer (15 - 30 mins.)

Belize Team Post-trip presentation to the congregation - As part of our sharing with the Five Forks congregation about our trip to Belize we will be playing a video of pictures and short testimonies (approx. 15 mins. long) from our time in Belize during each of the Sunday morning services on **Sunday, July 10th**. We would invite anyone to come and hear these testimonies as well as talk to team members about the trip!

Chambersburg Project 2016 - For those new to the youth group, Chambersburg Project is a youth work camp, for teens that have completed 7th - 12th grade and it takes place one week each July (this year **July 10th - 15th**). During the week, teens from area youth groups are divided into work crews and spend the week doing work projects in and around Franklin County. The youth will spend the week overnight at the Chambersburg Career Magnet school (Loop Road, Chambersburg), sleeping in supervised dorms. Campers work throughout the day and then participate in an evening program featuring games, activities, worship and teaching sessions. The Chambersburg Project is a great opportunity for teens seeking to be obedient to Christ's call to serve people in need. It is a chance to learn about the needs of the local community and experience first-hand hurting people. It also an important stepping stone for teens who may consider future youth mission trips with the Five Forks Youth Group. The cost for the camp is $200, this includes rooms, all meals and ministry supplies. This amount can be reduced to $150 for all Five Forks teens by completing a "Youth Mission Questionnaire". Please do not let finances keep you from participating, additional support is available, please speak to Pastor Shaun for more information. Registration forms can be picked up at youth group or by the youth booth and must be completed and turned in to Pastor Shaun **ASAP.**

Graduation Picnic - From the Five Forks youth group, we want to say congratulations to all those in the 2016 graduating class. We would like to invite you to a graduation celebration in your honor on **Sunday, July 31st at 5:00pm at the Mont Alto Park Pavilion (NOT the State park pavilion)**. Dress casual as we'll be playing volleyball, frisbee, lawn games and sharing a meal catered by Chipotle. It has been our privilege to get to know each of you and to watch you grow into the young men and women that you are today. And so, one final time, we would like to spend some time with you to share memories from our many adventures together, to learn about your future plans and to pray with you as you get set to embark on a new and wonderful journey ahead. Do what you need to do, take off work, rearrange your schedule and we hope you will plan to join us as we celebrate you. (And…no permission slip necessary for this event:) *Please RSVP to Pastor Shaun by Sunday, July 24th!*

Below is the list of seniors graduating from Five Forks, if there is anyone not listed please let Pastor Shaun know ASAP. Thanks.
