## *Do You Want To Join Our Bowling Team?*

The Rural Parish Bowling League bowls at Nellie Fox Bowl, on Route 11 between Chambersburg and Greencastle, on Monday nights at 7:30 PM. Five Forks Church has had a team in the league for the past 2 years. 2 of our teammates have decided to pursue academic requirements and will not be able to bowl with the team this year.

In order to keep the team active in the league, we are searching for people to join us. Age is not a deterrent or excuse. Anyone from 15 to 80 is welcome. Experience is also not a requirement or an excuse. This is a handicap league, which allows less experienced folks to compete on a more level playing field.

If you have never tried bowling, I encourage you to consider giving it a try. I have been bowling with this league for about 9 years. The people are very friendly, and you will NOT be burdened with cursing, drinking or smoking.

League bowling will begin on September 12. The cost for bowling is $11.00 per week. Shoes rent for about $1.50, and there will be a one-time sanctioning fee of $17.00.

If you would like to join us, please contact Ted Hays at 717-794-5566 or 717-729-6137. You can email me at tedhays001@gmail.com.

## *From Babylon to Corinth*

With just one week remaining in our Summer sermon series "The Gospel According to Daniel", it will soon be time to turn our attention to our Fall sermon series which begins on Sunday, September 11th. We'll be spending eight weeks in I Corinthians, where we will read about the many challenges that arose for those in the city of Corinth who had recently made *a life-changing decision* to follow Christ.

The problem back then - and the problem today - revolves around this issue of life change. When Paul arrived in Corinth with the message of The Christ, many of the Corinthians became believers in Jesus, and brought their reputations/backgrounds/ life experiences with them into the church. And the people of Corinth, including these new believers, had a reputation for hard drinking, sexual promiscuity, corruption and the like.

Paul spent a year and a half with this newly formed church before moving on to other towns and churches. Sometime later, Paul received a report that back in Corinth, things were more or less falling apart. Factions had developed, morals were in disrepair, worship had become less about God and more about the individual.

As we study the letter Paul wrote to the church in response, we will see a response that is affectionate, firm, clear and unswerving in the understanding that Jesus is Lord, regardless of how much of a mess they had made of things. Paul takes them by the hand and goes over old ground again, directing them how to put an end to factions, disunity and other areas of brokenness. Paul shows the church in Corinth – *and we trust that God will show us here at Five Forks* - how to live out this new life of salvation and holiness as a community of believers.
