Larry and I would like to thank everyone for the cards, phone calls, flowers, and especially their prayers during my recent illness and hospital stay. We very much appreciated the meals provided and the hands that prepared them! Thank you to Pastors Ray and Brian for visiting me in the hospital and taking time out of their busy days.
With Love in Christ,

Dear Friends,
Where do we begin? First of all, we want to thank God for being with us on this journey. We want to express our appreciation to everyone for the outpouring support for our daughter, sister, aunt, wife, and mom, Angie. The prayers, flowers, cards, phone calls, and monetary donations were very much appreciated. It was a long journey for us, which we never regretted. We never had bad weather traveling to Hershey and back. A special thank-you to Pastor Ray who was there any time we needed him. Our Life Group was very supportive also, always wanting to know if we needed anything. We want to thank God for all of you during our time of loss.
In Christian Love,
